

**World of work vocational pathway**

**September 2021**

<b>Year group</b>	<b>What we will offer</b>	<b>What this will look like</b>
6	Industry tours. Employer visits in school. Community Walks.	Class visits to various local businesses and employer visits in school developing pupil knowledge of the world of work around them. Preparing pupils to begin to make informed choices when profiling begins.
7	Vocational profiling begins. Industry visits. Employer visits in school.	Pupils are encouraged to identify personal traits, strengths and skills, develop confidence and have high expectations of themselves.
8	Work experience in school (6 weeks)  Skill development  Vocational profile reviewed.	Planned learning outcomes from experiences of the world of work. Interview preparation and individual skill development for the role.  Pupils build on personal strengths and begin to link skills to specific careers enabling realistic and informed decisions at transition stages.  Pupils are encouraged to reflect on own experiences and have the opportunity to express personal interests, make informed choices and be involved in the planning of future opportunities.
9	External work experience (12 weeks)  Food hygiene certificate Health and safety certificate	Pupils are offered opportunities to be inspired through real-life contact with the world of work supported by a school job coach.  Virtual college level 1 certificated course can be accessed for pupils expressing
