

WILLOUGHBY
A PRIORY ACADEMY

World of Work Vocational Pathway

September 2026

My favourite STEM activity
was driving the lorry
simulator. It was really cool
trying not to crash into
things.

WORLD
OF
WORK

I told the Career Advisor I
don't know what I want to do
when I leave school but I
know I want a job so I can
get lots of money.

I liked speaking to all the colleges at the Futures Fayre. I might want to go there when I leave Willoughby.

I really loved my work experience At Pet's At Home in Spalding. I want to work with animals when I am older.
