### Welcome back

Happy New Year! I do hope that everyone had a restful break with lots of festivities – albeit with select friends and family. 2020 was the year when we came together, and 2021 will be no exception to that. We will continue to keep you updated on our activities in school through daily posts on Tapestry and also love to see what you are doing at home so please keep posting your news too!

### This term our book is...

### Key Class information

Football with Richard – Monday morning

Show and tell - Friday morning

### Whole School Diary Dates

19<sup>th</sup> January – Wheelchair Clinic (by appointment only)

12<sup>th</sup> February – End of term

### Curriculum

This term we are excited to be focussing on the topic theme of “To Infinity and Beyond” where we will be reading the book “Aliens in Underpants Save the World!” This half term we are aiming to create our own versions of the book by ordering images, mark making and writing linked words and sentences. In Maths we are introducing addition and subtraction along with some position and direction.

In topic lessons we will be learning about many different topics related to the book – for example we will link forces and textiles to create a way to send a meteorite back to space just like the aliens in the story. We will also learn about Neil Armstrong who was the first person to walk on the moon and start to imagine ourselves exploring space!

### Keeping in touch

This year our home school book has a slight change of role. Please use it to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

For any absence or to notify us of a medical appointment please email:
