Welcome back

What a lovely start to our term! The days are long and the sun is (mostly!) shining! We hope you had a lovely Easter break and managed to enjoy some of the lovely weather.

This term our whole school topic is "Our Amazing World" and in Gold we will be focussing on the oceans with the topic title "Save our Seas!" our subjects will be focussed on how to protect and save our planet.

This term our book is...

Key Class information

Please ensure that sunscreen is applied in the morning and children have a hat in their bag.

Friday is our show and tell day, please bring items that your child would like to share with the class.

Whole School Diary Dates

3rd May – Bank Holiday

28th May - End of Term

Curriculum

Our topic of "Save our Seas!" will allow us to explore what we can do to protect our planet. In Science we will focus on the ocean habitat and the animals we find there. We will use sorting and comparing skills for the animals found in different habitats. In Geography, we will be learning about recycling which will include an understanding about litter and its impact on the environment. In Literacy, our story lends itself to our topic as it is about a plastic bag who finds himself in the ocean – he escapes many animals' tummies and eventually finds himself happy being recycled on land. We will be making predictions and writing about the story using Colourful Semantics to support us. In maths we are learning about splitting numbers! This will include sharing, halving and doubling.

Keeping in touch

This year our home school book has a slight change of role. Please use it to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

For any absence or to notify us of a medical appointment please email:

attendance@willoughbyschool.com
