Curriculum

This term we are excited to be focussing on the topic theme of “By Royal Appointment”. In our topic lessons we will learn about plants; what they need, how to care for them and also plant first aid! We will also learn about Queen Elizabeth II and her coronation, ending our half term with a Royal tea party!

This half term also sees the return of Forest school - don't forget to send your warm clothes and wellies into school.

In Maths we will be focussing on subtraction, weight and temperature. Our learning will be largely practical before we move on to more paper based methods.

In Literacy we will enjoy our book “The Snow Queen” which lends itself to lots of sensory interaction and communication through symbols and writing.

Keeping in touch

This year our home school book has a slight change of role. Please use it to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.
