Welcome

A big welcome to all of our pupils and families back to Willoughby and to our new class!

We hope you have had a fantastic summer break and ready to get back into the routine of school. We have lots of fun activities planned in Sunflower class and can not wait to get started.

This term our book is...

Curriculum

For our first half term this year, we are focussing on the overarching topic title of "Marvellous Me". Within this we will explore various elements about ourselves.

In Science, this will focus on our 5 senses and we will be using a variety of Scientific Inquiry to explore this. We will practise collecting data and will be conducting experiments involving our senses.

There is a large focus on PSHE this term, our book lends itself to learning about the variety of feelings we may encounter. Alongside this, we will learn about what makes a good friend and how they should make us feel.

We are very excited that this year we will have Performing Arts and Food and Nutrition sessions every week too!
