Welcome

We are so excited to welcome all the pupils back and see how they have all grown over the summer! It is always a pleasure hearing their news and talking about the different activities they all took part in. We are confident that they will enjoy this year, particularly because they have a classroom situated in the new part of the building. It is all very exciting and new!

This term our book is...

Curriculum

This term is an exciting one as we delve into the world of fairytales! We begin our journey with Peter Pan, a true classic. We will focus on story settings, introductions and guided comprehensions in literacy, developing our fictional writing skills.

Numeracy will see a continuation of our work using White Rose Maths. The resources provided through this amazing website ensures pupils are learning at a level that is appropriate for each individual pupil. We will be working on money, length and area throughout the term.

Science this term will look at the basic needs of animals including humans, ending with an introduction to food chains. Our PSHE lessons will see us working on our uniqueness and identifying our strengths. This will include the setting of personal goals for each pupil. We have a brand new Food and Nutrition room with a new teacher too – Alison!

Key Class information

P.E. will be on a Thursday afternoon. Please ensure pupils bring in a change of clothes and suitable shoes.

We encourage all pupils to drink plenty of liquid throughout the day. If you wish for your child to have juice, please feel free to send some in.

Please send in a suitable snack for pupils to eat mid-morning.

Please send in £1 per week for cooking.

Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.
