Welcome

We hope you have had a lovely summer holiday, were able to get a good break and that the children are refreshed for another year. We are looking forward to the first term back and exploring the theme "Marvellous me". Last year was very successful for all and we hope that this year will be equally successful. We will continue to keep you updated on our school days and the activities we have participated in via daily Tapestry posts.

Curriculum

This term we are very excited to be exploring the theme "Marvellous Me" and have lots of fun activities planned. We will be focusing on a sensory approach to all of our learning and will be reading and exploring a story "The Demon Dentist" by David Walliams. We will be exploring items to do with the story in order to develop our communication skills.

We will be continuing our theme throughout the rest of the term; exploring and making self-portraits through mark making with a range of materials. Learning about ourselves, our differences and our families. Playing percussion instruments to songs about teeth. Learning the parts of our bodies through sensory PE. Looking at the different seasons when going out and about.
