Welcome

A huge welcome back! Yes we really are back and the new building is open for business. This year the newly named Tiger Lily class, welcomes two new pupils joining us from the old red class, along with a new member of staff. Welcome Kelsey, Leah and Harriet. We have lots of fun activities planned this half term and a very important project too. We can't wait to get started!

This term our project is...

Macmillan Fundraising

Curriculum

Following last year's success, we have once again been tasked with hosting a Macmillan coffee event. The pupils will each be assigned a class to plan and prepare a baking party for at the end of the half term.

Throughout literacy and numeracy we will develop our functional skills, following recipes, interpreting order forms and letter writing. In science we will learn about animals and pet care. We also have several lessons outside of the classroom this half term including food and nutrition in the new food room, performing arts and forest school.

Alongside our studies we will also develop our independence skills in everyday tasks and lifeskills, starting with personal hygiene. This includes brushing our teeth, washing our hands, bathing and looking after our hair. In PHSE we will explore the world of work experience, looking at the positions on offer throughout school. Pupils will have the opportunity to apply for one of these positions.
