We hope you are all feeling rested and ready for the busy term ahead. This term our topic is 'Footsteps through time'. This term will also be our first session at forest school every Thursday morning, which will be very exciting.

This term our book is...

Curriculum

Our literacy will cover our class story as well as poems about Bonfire night and Remembrance. We will take a step back in time to learn a bit more about dinosaurs. In science, we will explore the seasons and hope to do a local walk to explore seasonal changes.

We will continue with our addition and subtraction work in maths and explore different shapes this term.

In PSHE, we will be looking at our families and those who are special to us. Look out for posts on Tapestry requesting pictures to support our learning.

This term we will introduce some basic cooking sessions to the children and learn about the importance of hand hygiene too.

Of course, I must mention Christmas. We will read Harry and the Christmas Wish and have lots of exciting Christmas learning too.
