This term our literacy topic is "Footsteps Through Time" and our book *What did the tree see?* follows the story of an oak tree over hundreds years and the changes it sees – this links to the Science topic of Plants and Nature. In art this term our focus is on painting, and we will be using a variety of materials and techniques for our creations.

The class will continue with baking and performing arts on Thursdays, and in the afternoons we will have History and Geography lesson where we will explore the wider world from our classroom.
