We are really looking forward to this term and to getting to know our two new Sunflower staff team members.

Curriculum

Our theme this term is 'Passport to the World' and our story is Meerkat Mail. Our sensory story will enable us to continue to practise requesting items, sentence building and our handwriting.

During our Topic lessons we will be visiting a different country every week to learn about different cultures, foods, art, music, homes. We will incorporate our science lessons in these 'visits' and explore animals and their habitats.

In the 4D room our discovery of other countries will continue in this amazing immersive learning space.

PSHE will find us learning about our bodies, naming them and exploring how we use them—we will also discuss private and not private body parts.
