### Welcome

Welcome back to school and Happy New Year to everyone! We are eager to get back to a fun-filled term of learning, with lots of new and exciting developments. We look forward to working within different academic groups for maths this term, which is in addition to the groups we trialed last term with pupils in PSHE. All pupils continue to embrace these changes enthusiastically and maturely.

### Curriculum

This term we will be looking at healthy romantic relationships in PSHE, diving into the differences between what acceptable behaviour looks like within these relationships and the differences from friendships.

Literacy will look at direct and indirect speech, as well as how a super sentence should look and sound. We will additionally be working on adding to our list of suffixes and prefixes in order to support our spelling knowledge.

In maths, we will continue following White Rose Maths, using the resources and lesson plans to support pupils within their designated groups.

We will also begin looking at our first foreign language topic this term, starting with Polish.

The knowledge we gain from these weekly lessons will be used to have conversations with the many people in school who can speak Polish, both pupils and staff.
