Welcome

Welcome back to Spring 1 in Snapdragon Class. We hope you have all had a restful and enjoyable Christmas holiday and are looking forward to this coming half term.

We are looking forward to lots of exciting learning opportunities and we can't wait to continue to achieve many wonderful things.

This term our class book is...

Curriculum

This half term the whole school topic is 'Passport to the world' and in Snapdragon Class we will be exploring the world through many areas of the curriculum.

In English we will be reading 'Here we are: Notes for living on Planet Earth'. This book explores the diversity and the wonders of the world we live in. We will use this to work on our creative writing skills. In Topic and Art we will learn about famous coastlines around the world and explore their different features. In Science, we will stay a little closer to home and learn about local habitats and our local wildlife.

In PSHE we will be learning about romantic relationships. We will explore different types of relationships and what constitutes a healthy relationship.

We will be following the White Rose Maths curriculum and our focus this half term will be addition & subtraction.

We will continue our Food & Nutrition lessons with Alison and our Performing Arts lessons with Hilary.
