Curriculum

This half term our topic is 'Passport to the World'

In Literacy, we will explore the different places that Emma Jane visits, and begin to use adjectives in our work to describe these. In Maths, we will learn about addition, subtraction and money.

In Science, we will focus on sound and light, looking at how these travel. We will make our own instruments and shadow puppets.

There will be weekly cooking sessions along with drama/music sessions, and we will be visiting the 4D room for some immersive learning.

Our focus in PSHE this term, will be our bodies and what parts we should keep private.
