Curriculum

During our communication and PSHE sessions we shall continue to enjoy opportunities for massage during our body awareness sessions. We will also be thinking about developing relationships with members of our school community and enjoying making new friends.

In our sensory story sessions we are travelling afar, as we take a voyage around the world in eighty days. We'll experience a wealth of sensory delights as we travel around the world with Phileas Fogg and his trusty friends.

During our topic sessions we are focussing on Europe as we experience a trip to France. We are looking forward to developing some fabulous art work as we travel around Europe recreating famous landmarks and experiencing their culinary delights too!
