Welcome

Welcome back to Summer 1 in Snapdragon Class. We hope you have had an enjoyable break and are ready for another brilliant half term.

As the sun comes out and the days warm up, we are looking forward to more opportunities to learn outside. We have many lovely things planned which we are all excited about.

This term our class book is...

Curriculum

This half term the whole school topic is 'Fantasy & Adventure' and in Snapdragon Class we will be exploring this topic throughout our curriculum.

In English we will be reading 'Leon and the Place Between'. This book is all about the power of magic and imagination.

We will be using this to focus on our sequencing and prediction skills in our writing and spoken language. In Art, we will be exploring all things bright and colourful by learning different painting techniques.

In PSHE we will be learning about how we take care of our minds. We will be learning about the different mental health issues we may face, how to deal with them and how to seek help.

We will be following the White Rose Maths curriculum and will be focussing specifically on developing our money skills.

We will continue our Food & Nutrition lessons with Alison and Performing Arts lessons with Hilary.
