

<u>Curriculum</u>

Last half term we planted seeds at the Don't Lose Hope gardens, we will monitor the progress of our seedlings and tend to these over the coming weeks. Each fortnight we will catch the bus to a new local community and spend a portion of the day exploring the local amenities. We also hope to join the bowls club for our physical development this half term.

In PSHE we continue to develop our understanding of private and public activities. This will include undressing, washing, using the toilet and masturbation. We also continue to explore our own emotions, recognising our emotions and an understanding of how to manage our emotions, exploring the zones of regulation.

The class continue to access Food and Nutrition sessions and Performing Arts sessions with Alison and Hilary.
