Welcome

Welcome back! We hope you have all had a lovely Easter break and managed to enjoy the beautiful weather we received. We have another busy half term ahead – this half term our topic is 'Fantasy and Adventure'. We will have the opportunity to get imaginative, creating our own magical stories.

This term our book is...

Curriculum

In Language and Communication this half term, we will be learning about poetry, in particular narrative poetry. We will be looking at poems based on traditional tales and then using our own life events, to create our own narrative poem.

In Maths and Finance this half term, we will be continuing our work on place value and multiplication and division, before moving on to measurement. We will be looking at height, length, weight and mass. We will also be having a focus on life skills within Maths, whereby children will be buying their snacks and lunch from each other.

Our focus in PSHE this half term is 'Public and Private'. Children will need to bring in a toy of their choice for this term please. This will support our work on personal belongings and asking to borrow other peoples belongings, as well as focusing on things we do in private and things we can do in public.
