Danielle

Welcome

We hope you had a lovely long bank holiday and enjoyed the Jubilee celebrations. As the weather is getting warmer, please ensure suncream and sunhats are sent in for outdoor play and a couple of swim nappies for water play on really hot days!

This term our book is...

Curriculum

This term our school topic is 'Commotion in the Ocean' and we will be using a non-fiction book to learn all about sea creatures.

In art we will use lots of different materials to create an amazing underwater display of all the animals we learn about.

We will be continuing to practice counting objects and pictures and recognising and writing numbers. We will be making repeating patterns with Lauren. Later in the term, we will be learning about on, in and under.

We are starting to learn some letter sounds and beginning to write letters and some of us will be trying to make simple words.

At the end of the term we will enjoy our whole school science week and sports day as well as an end of term party and annual water fight with Poppy class.
