Welcome

We hope you have had a lovely half term break and are ready for the term ahead. This term we will aim to get out for walks in the local community and make the most of any fine weather. We will also enjoy Science week, along with our annual water fight with Buttercup class at the end of term.

This term our book is...

Curriculum

This term our whole school topic is 'Commotion in the Ocean' and we are lucky in Poppy class to explore the text. We will become familiar in science with many sea creatures and in maths will enjoy learning about capacity through water play.

Our music will be linked to our topic of the ocean, and we hope to learn some new songs.

This term we will experience cookery lessons on a Wednesday with Alison, the food and nutrition teacher. We ask for a voluntary contribution of £6 for the term or £1 per week.

We will explore 'collage' in art this term and will have plenty of craft to enjoy from our class story book.

We will of course end our term with a class party and enjoy some games with Buttercup class.
