Welcome

Welcome to our last term this year, it has certainly been a very quick year!

Thank you to everyone who has shared fun things they have been doing over the holidays on Tapestry, it really is lovely to see you all having so much fun!

We are all looking forward to lots of summer fun this term with our new topic and the use of our sensory garden in the warm sunny weather.

This term our book is...

Curriculum

Our topic this term is 'Commotion in the Ocean'.

We will explore by going on an underwater adventure with sea creatures, pirates and lots of fun water play outside in our sensory garden.

Our sensory story is 'Ahoy! Me Hearties' where we go on a musical adventure to an island to find treasure. We will also experience a 'patting' story where pupils will experience what its like to be a lazy pirate on the Jolly Rancher!

For our 'me and my community' session we are looking forward to visiting the Tiny Steps Petting Farm in Thurlby.

Our daily tuff spot will take on the form of a rockpool where the pupils can explore water, sea creatures and ocean life forms in a sensory exploration session, we may even get our feet wet and have a paddle.
