Welcome

Welcome back! We hope you all had a lovely half term and managed to enjoy the long bank holiday weekend, celebrating the Queen's Platinum Jubilee. As you are aware, this half term we have had some changes to the staffing in Venus Flytrap, we are happy to welcome Owen and Sally to the team. We are all excited to get stuck in to our final topic of 'Commotion in the Ocean'.

This term our book is...

Curriculum

In Language and Communication this half term, we will be using the story to write our own narrative stories from a different perspective to the current story, as well as creating our own information sheets about our favourite sea creature.

In Maths and Finance we will be continuing our work on height, length, weight and mass as well as money and area and perimeter. We will also be continuing with our focus on life skills within Maths, whereby children will be buying their snacks and lunch from each other.

Our focus in PSHE is 'Feeling Poorly and Medical Interventions.' We will be focusing on recognising how our bodies tell us that we do not feel well and who we need to tell to help us.

In our Physical development lessons we will continue our preparations for Charlie and the Chocolate Factory, we hope you can all come and watch!
