Welcome

Welcome back, we hope you have had a restful half term break. We are looking forward to spending time enjoying the Great British summer weather as we busily nurture our sensory garden, also visiting the local community.

Please keep sharing your weekend news on Tapestry as we love to share these posts during our communication sessions.

This term our book is...

Shark Lady (Eugenie Clark)
written by Jess Keating

Curriculum

During our communication and PSHE sessions we are thinking about relationships and awareness of familiar people in our local environment.

In our sensory story we are learning about the life of Eugenie Clark, The Shark Lady. We will explore our senses as we follow Eugenie on a journey of discovery to protect and celebrate sharks from all around the world.

During our topic sessions we are experiencing a 'commotion in the ocean'. We travel the seas in search of creatures of the deep whilst exploring music and sensory experiences.

We are looking forward to our Willoughby Science Fest later this term. We will share experiments, explore the 4D immersion suite and meet some creepy crawlies. We will also be busily rehearsing for our end of year production and sports day celebrations too!
