Welcome

Welcome back. We hope you all enjoyed the fantastic Jubilee celebrations and took advantage of all the fantastic events organised within the local communities. We definitely overindulged on the cakes and scones but it was worth it!

This term our focus is... My Independence room

Curriculum

This half term we have the task of setting up and preparing our new independence room for when we make the move back to our old classroom. With the new Food and Nutrition room up and running, our old independence room will be transformed into an independent living space for pupils to practise their life skills. The pupils will take an active role in planning the layout and purchasing items required. This will link in with our travel training skills as we venture further afield to Stamford and Spalding.

In PSHE we will be developing our understanding of appropriate touch and consent. On Thursday afternoons the students have been invited to join the Bourne Bowls club for some complimentary bowls sessions.

The students continue to access food and nutrition sessions with Alison and continue their rehearsals with Hilary in preparation for the Charlie and the Chocolate Factory extravaganza.
