Welcome

Welcome to Snapdragon Class! We hope you have had a relaxing and enjoyable Summer. We are pleased to have many familiar faces in the classroom this year, as well as welcoming some new friends. We are looking forward to the half-term ahead where we have lots of lovely things planned to help us settle into school ready for a positive and successful year ahead.

This term our book is...

Curriculum

This half-term our whole school topic is 'You've got a friend in me'. We will be exploring this theme in our English lessons where we are reading a book all about the power of friendship and kindness. We will be focussing on our sequencing and comprehension skills during our English lessons as well. This theme will be further explored within our PSHE lessons where we will learn about friendships, big emotions and how to deal with them.

In Maths, we will be working hard on our number skills by focussing on addition and subtraction using the White Rose scheme of learning.

This year, we will be spend even more time focussing on developing our independence by regularly visiting the community, thinking about our next steps through life and using a scheme called Skills Builder to develop some key skills within these areas.

The pupils will also enjoy Food & Nutrition and Performing Arts with our subject specialists Alison and Hilary.
