Welcome

Welcome back 'Lilies'. The pupils have completed their first joint enterprise project and have raised a grand total of £100. This half term we hope to add to our profits by offering sausage sandwiches on a Friday to staff and also making and selling Christmas cards and other products at the Christmas show and via Tapestry.

This term our enterprise project is...

Sausage sandwiches and the Lilies Christmas Shop

Curriculum

This half term pupils continue to follow the 'my future' theme. Pupils continue to access the independence room, developing skills to further their independence for life after Willoughby. Pupils are actively involved in cleaning, food and drink preparation and other general everyday living tasks. This half term we hope to see the integration of a bathroom, completing our self contained independence suite.

Pupils are halfway through their first OCR life and living units involving communication, home management and also mathematics. Staff have been busy keeping accurate records of achievement that relate to key criteria within each level and we look forward to receiving our first qualification certificates at the end of this half term.

This half term we welcome the return of Dave and Forest school, in which our pupils will access our new and improved forest school area in the paddock. Please do send in warm clothing and suitable footwear for this activity. Food and Nutrition and Performing arts continue to be a weekly highlight for our pupils and will link with our Christmas show and Christmas enterprise project this half term.
