Welcome

Welcome back everyone! We hope you've all had a chance to relax after our busy first half term. We're really excited to get started again this term, and have lots more fun things to do and learn. We'd love to be able to see what the children get up on over the weekends at home, so please do share any highlights with us on tapestry, so that we can talk about them in school.

This term our book is...

Curriculum

The whole school topic this term is 'Rumble in the jungle'.

In our Communication and Language lessons we'll be reading 'Now you see me, now you don't' and writing sentences about the book. We will also be continuing our hard work in our Read, Write, Inc Phonics lessons, and working on our SALT targets.

In our Cognition and Learning numeracy lessons, we'll be continuing to work on our place value and measurement targets, whilst integrating our learning into our everyday lives.

In our Personal and Independence lessons we will be learning about diversity in families.

This term we will also be learning about animals and their habitats, and continuing to develop our independence in our life skills lessons.
