Welcome

Happy New Year! I am looking forward to teaching in Venus Flytrap class and getting to know you and your children this term. My main focus over the next few weeks will be to really get to know and understand your children, as well as them getting to know me. We will be enjoying lots of 'getting to know each other' activities, games and fun. It would be really helpful if you could add a couple of photos to tapestry for us to share in class of pets, family members or special memories to support our learning and communication skills.

This term our book is...

Curriculum

This half term our theme is 'Feel the Force', where we will be exploring forces and the weather. Our book is a Non Fiction book called World Weather.

In our cognition and learning sessions we have a variety of science experiments to enjoy this term which we will also be linking into music and art session. We will be creating weather instruments and music as well as exploring the weather through colours.

In our Personal and Independence lessons we will be discussing and learning about Keeping Safe Online. If there is anything specific you would like us to cover regarding keeping safe online at home please let me know through tapestry.

This term we will be continuing with our phonics - Read, Write Inc. We will begin to develop our reading skills into reading sessions and activities as well as small group reading.

Key Class information

Tuesday – Cooking

Wednesday – Performing Arts and PE

PE has changed to Wednesday – please send your child in with a spare t-shirt, shorts/joggers and trainers to change in to.

Please send your child in with appropriate clothing for the colder weather that we are experiencing.

Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email:
