Welcome

Welcome back! We hope you all had a lovely and relaxing festive break and are looking forward to welcoming all the pupils back for a new half-term. We have an action packed Spring Term coming up with lots of exciting opportunities including our Bush Craft Days which are a firm favourite with the pupils. I am sure the pupils of Snapdragon will continue to impress me with their hard work and love of learning.

This term our book is...

Curriculum

This half-term our whole school topic is 'Feel the Force.' We will be exploring this science-themed topic throughout a number of our lessons. In English, we will be reading 'Once Upon a Star', a space themed poetry book. We will also be exploring every day forces in our science lessons with lots of fun and practical activities.

In Maths, we will be working hard on understanding and using time, supported with the White Rose Maths Scheme of Learning. In PSHE, we will be learning about how to manage conflict which will support us in our friendships and relationships both in and out of school.

This year, we will be spend even more time focussing on developing our independence by regularly visiting the community, thinking about our next steps through life and using a scheme called Skills Builder to develop some key skills within these areas.

The pupils will also enjoy Food & Nutrition and Performing Arts with our subject specialists Alison and Hilary.
