Welcome

Welcome back 'Lilies'. We hope you all had a wonderful Christmas and a bit of time to relax too. As much as we loved creating Christmas cards for our shop, being a glitter free zone will be welcomed by all, including our cleaning team! This half term we begin a deep dive into our first area of industry- the creative sector, covering design, art, construction and more.

This term our enterprise project is...

Healthy staff breakfasts and an early visit from cupid for a valentines surprise.

Curriculum

This half term pupils begin their deep dive into the world of creative arts. Our pupils will meet an artist, explore photography, flower arranging, construction and much more. Pupils will begin a new three part OCR unit developing their creative skills and exploring different art forms.

Our core studies continue to develop our communication, functional literacy and numeracy. In numeracy we continue to build upon our money knowledge and also look at measure. Our theme in PSHE this term is kindness and celebrating differences.

Last half term our new bathroom was finally installed, completing our independence room set up. This will enable our pupils to develop a fully rounded set of independent living skills required to support independent living. The room has proven a real hit with the pupils and we are thrilled to hear that some of the new skills are being seen and used within homes too.

Our weekly sessions of food and nutrition, performing arts and forest school continue and link closely with our creative theme. Warm clothing and suitable footwear will be required this half term.
