Welcome

Welcome back everyone and a happy new year to you all! We hope that everyone had a lovely break. We're excited to get stuck into a new term. Our topic this term is 'feel the force' and we will be doing lots more exciting, hands-on activities! This term we are welcoming Sophie and Hannah to the team.

This term our book is...

Curriculum

In our Communication and Language lessons, we will be reading our book *Bird Builds a Nest*; a story about a little bird who builds a nest using different forces.

In our Cognition and Learning Numeracy lessons, we will be focusing on learning about and using money; a very important life skill! During our Cognition and Learning Science lessons, we will be putting everything we learn about forces from our story, to the test, in some exciting experiments!

In our PSHE lessons, we will be learning the importance of having autonomy over our own bodies.

We are also hoping to get out into the community this half term. We will send out further information via Tapestry about this.
