2022 - 2023

Jess Maureen Sheila Lucie Owen

Joe Mimi Florence

Welcome

Welcome back 'Lilies'. This half term continues to encompass all that is creative. Pupils will explore gardening, and meet a real photographer and an artist. We also see the return of world book day, national careers week, science week and look forward to all the different activities we have planned.

This term our careers focus is...

Creativity and creative jobs. We look forward to hosting our very own gallery event.

Curriculum

This half term pupils continue with their deep dive in the creative world. We look forward to welcoming a photographer and an artist to the classroom to share their experiences and teach us new skills. We are halfway through our creative OCR units having explored different forms of creativity and planning pieces we will create this half term. Some of the groups will redesign an outdoor area and others will create individual pieces. This will be showcased at a gallery event in which we hope to invite parents and carers.

Our core studies continue to develop our communication, functional literacy and numeracy. We are halfway through our OCR measurement unit in which we have explored big and small, height, width and capacity. This half term we continue with capacity and learn all about weight. Our theme in PSHE continues with kindness and celebrating differences.

Our weekly sessions of food and nutrition, performing arts and the immersive 4D room continue. Pupils will continue to access the independence room further developing their living skills; preparing food and drinks, cleaning, washing and much more.

Whole School Diary Dates

Key Class information

Monday- Performing arts

Tuesday/ Wednesday- Cooking sessions

We ask for a voluntary contribution from all families to support our cooking and life skill sessions. This can be sent in weekly (£1.50) or at the beginning of the term (£9.00). Please send money in a named envelope.

Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email:
