Welcome

Welcome back Daisy class. We hope you have had lovely half term break. We are looking forward to hearing all about your adventures! The weather finally appears to be getting a little warmer, we are going to be discovering how plants grow, and hopefully we might see signs of spring appearing to!

This term our topic is "How does your garden grow?"

This term our book is:

Curriculum

In our Cognition and Learning lessons we will continue to learn about addition and subtraction, measurement and working on our individualised targets. We are going to introduce money, learn what we use it for and each coins value.

In Communication and Language lessons we are going to be reading our book there a tiger in the garden. We are going to continue with developmental writing as well as comprehension activities.

In our Personal and Independence lessons we are continuing to learn about body safety, which parts of our body are private, consent and who our trusted adults are.

This year we will have Forest School with Dave every Wednesday afternoon. Please send in waterproof clothing and wellies for your child. If you wish for us to keep these in school please let us know. On a Friday we will have P.E. (Dance). Please can you send in a PE kit (any shorts, t-shirt and trainers). We are having a big focus on life skills this year. This half term we will continue to be working on changing (if your child comes home with their clothes on back to front they have got dressed completely independently and we do not want to discourage that.) Whilst also preparing our own snacks.

Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email: willoughbyenquiries@prioryacademies.co.uk
