Welcome

Welcome back everyone. This term we are very excited to have the warmer weather coming and lighter mornings. We are going to be looking at Spring!

This term our topic is...

How does your garden grow?

Curriculum

In Performing Arts we will be looking at the classical composer Vivaldi. He composed beautiful music about the seasons and we will be looking at Spring.

Lower school are going to create sound scapes listening to the environment around them. Upper school will be studying the Orchestra, learning about the different instruments and creating graphic scores.

In Food and Nutrition all classes will be using vegetables in their cooking. Carrots, potatoes, lots of herbs and salad will feature. Classes will also be using recipes from an array of different cultures. The popular carrot bhajis from last year may return. We will continue to look at Food Origins, especially focusing on edible plants. Heres to another purposeful and successful term.

Whole School Diary Dates

13/03/2023 M & M Productions will be coming into school to perform The Jungle Book. Certain classes will also attend a workshop run by the performers about characterisation.

All term Venus Fly Trap will continue to be taught by a music professional from Lincolnshire Music Hub.

27/02/23 This term is all about the power of vegetables. Pupils will be bringing home a pack containing stickers for rewarding Vegetable exploring and eating at home. This is part of The Eat Them To Defeat Them programme.

13/03/2023 Food lessons will focus on Healthy eating and vegetables in line with Science Week.
