Welcome

Welcome back 'Lilies'. This half term we delve into technology, ICT and media. The pupils will learn about and explore different uses of technology and begin computing and ICT units in OCR. We did not quite finish off our OCR art unit of work, so we will continue with this and still hope to invite you all in to see the wonderful pieces our young people have created.

This term our careers focus is...

ICT media and computing

Curriculum

This half term pupils will explore technology ICT and media. Our OCR studies consist of exploring different forms of technology, creating and editing work and researching and producing a presentation on a subject of our pupil's choice. We will also learn about different careers and aspects of our independent living associated with technology.

Our core studies continue to develop our communication, functional literacy and numeracy. In numeracy we begin an OCR unit associated with time.

This involves daily routines, recognising different events, different times of the year, reading different times on both analogue and digital clocks and using a calendar. Our theme in PSHE is emotions and self regulation.

Our weekly sessions of food and nutrition, performing arts and the immersive 4D room continue. Pupils also continue to access the independence room, Leopard Lily will extend their breakfast repertoire and Tiger Lily will be making and selling lunches to staff. We also look forward to making the most of the better weather and visiting more of our local community.

Whole School Diary Dates

01/05/2023	Bank Holiday
05/05/2023	King's Coronation School Event
08/05/2023	Bank Holiday
26/05/2023	End of Term
05/06/2023	Start of Term

Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email:
