Welcome

And, just like that, it's Term 6 and nearly the end of your child's first year at Willoughby and time for our class trip! This term there will be many opportunities to celebrate what we have achieved and support any pupils that are moving on, as well as welcoming new starters, who will be visiting at various times.

This term our book is...

This term we will be re-visiting all the books we have used for our Literacy work during the year.

Curriculum

We have already begun the term by finding out all about summer. For the next few weeks we will be continuing with our Pirate theme; walking the plank and playing with water and boats. Our sensory/messy play will all be based around nature, including squishing smelly herbs and squeezing sharp citrus fruits.

With our maths songs we will be exploring how amounts get more or less as each item gets added or taken away as the song goes on.

We will be revisiting some familiar books from the year to see what we can remember and what understanding we can show through looking at the pictures or answering questions.

We will be busy practising our songs and dances for the summer performance and our Celebration Week will include sports day, 'Poppy & Buttercup Annual Waterfight' and end of year party. We also have a special Cultural Day and Science Day to fit in!
