Welcome

Welcome back to our final term of this year! With our class trip, summer production, sports day, cultural day, science day, celebrations and transitions it is going to be a super busy term ahead!

This term our book is...

Curriculum

For the first few weeks we will be using our pirate story to base our literacy, art and science work around. We will be exploring and sorting shells and magnetic 'treasure' as well as making telescopes and treasure maps.

In literacy lessons we will be using symbols to show our recognition and understanding of pictures from the story. Our maths focus will begin with making patterns and we will continue our counting and number recognition skills.

In Performing Arts we will be busy practising our songs and dances ready for our performance in 'Willoughby Finds Nemo.'

At the end of term we will have a celebration week, including 'Poppy & Buttercup Annual Waterfight' and end of year party, as well as spending time supporting those who are moving class and welcoming new ones, who will be visiting.
