## Welcome

Welcome to the last term this year, we can't believe how quickly it has sped by! We have had an amazing year, full of so many memorable learning experiences.

We look forward to memories being made in these final few weeks.

## This term our book is...

## Curriculum

This term we are going to explore seaside poems, using our senses to enjoy all that the sea and beaches give us. There might be some treats to try too!

We have settled into the routine of Forest school, the pupils are engaging in lots of different skills. We have used hammers, saws and knives to create various weird and wonderful creations.

We will go on our Summer school trip to Rutland Water to explore, play and then enjoy a picnic, before finding an ice cream to round off what we hope is a super day.

In our PSHE lessons we continue with our topic, 'I look after my body'. We loved exploring the various items we might use in the shower/bath, making smoothies and exercising with music was a real hit.
