Welcome

Welcome back to summer term 2. This term we are hoping to explore and spend some time in our local community. Please check tapestry regularly to ensure you know when we are heading out of school.

We have 3 bushcraft days this term on the 19th, 20th and 27th of June. Please ensure your children have appropriate clothing.

We are looking forward to our class trip to The Ranch. If you have not already, please send permission slips and contributions into school.

This term our books are...

Curriculum

This term we will be continuing with our Science topic and investigating materials and states of matter. We will also be producing our own books in English/Science which we will be sharing with other children within the school.

We will continue our reading sessions following the Read Write Inc. scheme. We all made real progress last term and are showing great enthusiasm towards our reading and writing. We will continue to bring home reading books linked to our phonics books in school. Please take good care of these, as we only have limited books in school.

In Maths, we will be continuing our learning on multiplication, division and times tables.

In our PSHE lessons this term, we will be learning how to look after ourselves. Our sessions will include hand washing, getting ourselves dressed, keeping tidy and sun and road safety.
