Welcome

We are back for the final stretch of this academic year, and super excited for the very busy term ahead of us! We have lots to think about this term, including our end of year trip and our Willoughby Finds Nemo production. We also have to continue our work on our Pepsico challenge – creating our own fry up flavour of crisps! Sounds yummy!

This term our book is...

Curriculum

In communication and language this term, we will continue our theme of Vikings. The pupils have all loved this topic and with such a busy term, we thought it would be best to keep doing what we love! We will still be looking at diary entries, but will also incorporate research and retrieval of information into our written work. We will end the term off with some lovely Viking crafts.

Our cognition and learning lessons will include both maths and science. Maths lessons will continue to focus on functional skills in addition, subtraction, multiplication and division. All pupils are continuing to make progress. Our science topic will continue to be on rocks. We will be investigating some rocks and soil on our end of year trip to Ferry Meadows!

PSHE lessons will be focused on drugs and alcohol, with a focus on rules around taking medication and keeping our bodies safe. It will include discussions on smoking and vaping, and the dangers these pose to our bodies.
