Joe Mimi Florence

### Welcome

Welcome back 'Lilies' we can't believe how quick this year is going. This half term we continue with our technology unit of work. The pupils have been exploring forms of ICT and learning new skills and how to navigate different programs on their chromebooks. We look forward to finishing our final coursework units of the year.

### This term our careers focus is...

ICT media and computing

### Curriculum

This half term pupils will complete their technology OCR units. This has involved exploring different forms of technology for some, creating and editing text documents for some and researching and presenting for others. The pupils have really enjoyed this unit of work and learned a lot along the way.

Our core studies continue to develop our communication, functional literacy and numeracy. In numeracy we are working through our final criteria on our date and time unit of work. Our theme in PSHE, self regulation has been really fun and this half term we look forward to developing our own personalised sensory ladders to support our own regulation.

With the benefit of (hopefully) good weather we look forward to further exploring our community, with some students beginning travel training and others continue to attend the sailability sessions. Both classes have also been invited to attend sessions at the bowls club.

We look forward to many events this half term including our class trips, sports day, transition week and our goodbye party for our leavers Kuba and Robbie.

### Whole School Diary Dates

23/06/2023	Cultural Day
28/06/2023	Summer Production
29/06/2023	Summer Production
05/07/2023	Sports Day 10 – 12

### Key Class information

#### **Monday- Performing arts**

#### **Tuesday/ Wednesday- Cooking sessions**

We ask for a voluntary contribution to support our cooking and life skill sessions. This can be sent in weekly (£2.00) or at the beginning of the term (£12.00). Please send money in a named envelope.

### Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email:
