Food and Nutrition

<u>Welcome</u>

Welcome back everyone. We hope you have all had a happy and relaxing half term. The final Summer term is always a busy one but a very exciting one.

This term our topic is...

Swords and Sandals

Curriculum

In Performing Arts, we are continuing to rehearse for the school production Willoughby finds Nemo!

The whole school are concentrating on script work, learning lyrics, stage blocking and choreography.

In Food and Nutrition, we will be continuing with the theme from last term but focusing on the 'sandals' part by cooking lots of picnic food suitable for taking to the beach. Upper school and Venus Flytrap will be learning about food commodities and then cooking a different picnic food each week using that commodity. Lower school will be concentrating on non-cook dishes mainly concentrating on those all-important basic skills of using a knife, grater and developing the bridge, claw and fork hold.
