### Welcome

Welcome back to the start of term 2. We have had a lovely first week back discussing what we have done over the holidays and sharing this with the class through our English lessons.

Please continue to upload photos to tapestry across the term, the children really enjoy sharing their experiences with their peers and adults.

### This term our books are...

### Curriculum

This term our theme is 'Up the Chimney'. In English we are looking forward to reading adventure stories and recount writing based around our books of the term.

In Maths we will be continuing our work on addition and subtraction and beginning to learn about Money. We are looking forward to the Venus Flytrap Shop in the role-play area to develop our learning on money.

In Science our topic for the theme is light. We will be experiencing and developing our knowledge on light and dark, reflections and shadows.

In PSHE our focus is on Rules and Laws, both in school and at home. We will be discussing why rules are important and how they keep us safe both in school and in the community. Towards the end of term we will be relaying this to online safety too.

In PE we are going to be developing our football skills, focussing on control and teamwork!

### Whole School Diary Dates
