Welcome

Welcome back 'Lilies'! Wow that was a long half term and here comes another one. We have had a great first half term, our new pupils are settled and we look forward to continuing with our community studies and enterprise ventures. We also have a new name for our classes PFA (Preparing for Adulthood)

This term our focus is...

Curriculum

This half term pupils continue to explore the local community and look to complete our OCR units. Swimming was a huge success, so much so, that we have managed to secure another half term of sessions.

Our core studies continue in which pupils discuss and review current affairs, our weekend news and communicating for a purpose. We will be finding out more by asking questions within the community and have even been tasked with asking members of the community to support our Christmas raffle by donating prizes. In numeracy and more specifically measure, our pupils have been putting their practical skills to the test creating dog biscuits and following recipes. In personal safety, pupils have developed their road safety awareness, water safety (supported by our swimming sessions) and identifying people who can help us.

Our weekly sessions of food and nutrition, performing arts and the immersive 4D room continue. We have a Christmas show to look forward to and a Christmas fayre (in which we will be selling pet hampers, Christmas cards and paper).
