Food and Nutrition

Alison

Welcome back everyone! An exciting time ahead of us this term where we will be cooking to the theme of 'light', culminating with products for Christmas, something which I now know the pupils of Willoughby love.

This term our topic is...

Up the Chimney

Curriculum

In Food and Nutrition all classes will make dishes that relate to Bonfire Night, Diwali and then Christmas. This term we will really be emphasising the importance of numeracy in cooking. Weighing and measuring are always included in each lesson but this term we will be focusing on dividing and sharing.

Pupils will also help their school community by making some products for our Homebake Sale at the Christmas Fayre.

Please continue to send your children in with a labelled container to take their cooking home in and remember to save those chocolate boxes after Christmas as they come in really handy. As we move over to ParentPay for cooking money, I would also like to thank you for your support with cooking money as I know the rising costs of everything are staggering at the moment.

I wish you a very Happy Christmas when it arrives.

Keeping in touch

Please continue to use the home school book or Tapestry to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email: willoughbyenquiries@prioryacademies.co.uk
