Curriculum

This term our whole school theme is 'To Infinity and Beyond'.

We are looking forward to sharing our class text 'The way back home'. This text will support learning across literacy, maths, PSED, science and knowledge and understanding of the world. We will focus sessions around the book, learning about feelings, and friendships in PSED, creating art work and exploring textures in expressive art and looking at patterns in maths.

We will consolidate our phonics learning and link this to real life experiences in class. Look out for ideas of what you can do to support at home on our Tapestry posts!

This term we will enjoy weekly cookery sessions on a Wednesday morning.

Please post celebrations from home onto Tapestry. We love to share them in class with our friends and teachers.
