Welcome

Happy New Year, we hope you had a super Christmas and managed to have some time to relax.

We have some exciting plans for this term as we explore all about Space.

This term our book is...

Curriculum

Our theme this term is 'To Infinity and Beyond' and we will be using a non-fiction book '*Stars and Space*' by *Christiane Engel* and a sensory story full of amazing resources to watch and explore in our Communication & Language lessons.

Our PSHE lessons will focus on playing and working with others so we will have lots of fun as we explore that theme. We continue our Emotional literacy too within a fun circle time lesson and our Interoception curriculum.

Our Wednesdays will become a very busy day with Spa opening up, our trip to the woods may not happen every week due to the inclement weather at this time of the year!

Please remember a container and apron every Thursday for Food & Nutrition.

Our 4D room lesson is the perfect opportunity for exploring stars and space. We will love getting ready to blast off in a shuttle and explore the galaxies.
