Welcome

Welcome back, we hope you've had a wonderful Christmas and a great start to the new year! We are looking forward to the new term as we encounter aspects of winter and then travel far, far away during our Space topic! We'll keep you informed and share our news and photographs on Tapestry.

This term our book is...

Hello Star by S Lucianovic

Curriculum

Our focus this term is 'To infinity and beyond'. We'll explore space and a 'journey beyond...' as part of our topic and sensology session. During our art and design sessions, we'll be exploring colour and textures as we recreate aspects of the solar system.

In our communication and PSHE sessions, we will be exploring what is a good friend whilst experiencing social times together. During this session we'll be thinking about our bodies, how we move and our likes / dislikes. Our sensory story this term is called 'Hello Star', we'll go on a journey through life as a girl strives to encounter her special star.

During our seasonal sensations and horticulture sessions we will be exploring aspects of winter and all that the season has to offer. Please send in hats and scarves as we will be spending some time outside if the weather is suitable.

Whole School Diary Dates

11.01.24 – Nick Williams (The Bird Man)

Keeping in touch

Please continue to use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email:
