Welcome

We hope that you all had a wonderful Christmas and spent lots of time with your loved ones. It's going to be a little calmer this term in Daffodil class after such an eventful Christmas term. We are going to be looking at space and have lots of fun activities and experiments planned.

This term our book is about...

Curriculum

During our Communication and Language Literacy lessons we'll be reading different books relating to space with a particular focus on non-fiction books. We'll also continue to work on our fine motor and handwriting skills. We will be having separate grammar lessons this term on top of our Literacy lessons each week, where we will continue to learn about using capital letters and full stops as well as learning other things such as plurals, adjectives, question marks and exclamation marks, etc.

In our Cognition and Learning Numeracy lessons, we'll cover number and place value some more; addition and subtraction and shape.

During Science, we'll be learning about light. We have some fun activities planned for this.

In PSHE lessons, we'll be looking at playing and working with others, building on some key skills.

As well as these core subjects, we'll be enjoying lessons in Phonics, P.E., Art, computing, food and nutrition and forest school.
